

2025 IEEE/RSJ International Conference on Intelligent Robots and Systems (IROS 2025)

NOTICE

Welcome to IROS 2025!

The 2025 IEEE/RSJ International Conference on Intelligent Robots and Systems (IROS 2025) will be held from October 19 to 25, 2025, at the Hangzhou International Expo Center in Hangzhou, China.

IROS is a premier and highly impactful forum for the international robotics research community to explore the frontier of science and technology in intelligent robots and smart machines. The conference emphasizes future directions and showcases the latest approaches, designs, and outcomes. In addition to technical sessions and multi-media presentations, IROS 2025 will feature panel discussions, forums, workshops, tutorials, exhibits, and technical tours to foster fruitful discussions and collaborations among attendees. For more detailed information, please visit the official conference website: 2025.ieee-iros.org.

Payment Authorization

All conference-related fees, including but not limited to conference registration, workshop registration, banquet tickets, and any additional charges (such as extra page fees), will be collected by our authorized conference service agent on behalf of the conference organizing committee.
